### Private Wine Tasting, Birthday Parties, Corporate Meetings, Neighborhood Meetings, Etc

---

Add additional wine bottles to tastings starting at \$22 a bottle.

All wine tastings can be customized as you need. These options will give you some ideas. Based on the types of wines, the number of wines tasted, and the amount of each pour, prices will vary. For each tasting, we will supply a facilitator and tasting sheets for each participant.

Please note there is a \$250 room use minimum, otherwise an hourly room charge applies.

**Where are JavaVino's private wine tastings held?** Our private wine tastings are held in JavaVino's Wine Lounge, located in the upstairs private loft area of JavaVino.

**What types of groups book private wine tastings?** Bridal showers, birthday parties, engagement parties, bachelorette parties, fund-raisers, corporate team building sessions, etc

**What's the format for a private wine tastings?** Our private wine tastings are a great way to get a party started. They set the theme for parties and overall atmosphere for mingling and learning. Our tastings are fun, we work within the overall mood of your group. Offering more information and lengthier wine education for interested individuals or create a more casual, pouring session for folks who just want the wine as a mingler.

**How long is the facilitator available for?** JavaVino wine facilitator is available for a *two hour* session. After the two hour time frame, wine is available for the pouring by the glass.

**Is there a room charge on top of the private wine tastings?** There is a minimum room use charge of \$250. If your private tasting does not reach the \$250 minimum, then yes, there is a \$50 an hour charge on weekdays and \$75 an hour charge on weekends. Most parties have no problem reaching the \$250 minimum.

**Can we bring in our own food or drinks?** We allow absolutely no outside drinks into JavaVino. We offer a great catering menu and discourage outside food. If you want to bring in your own food, we'll need more specifics and we do charge a fee for bringing in outside food. Please ask us for details.

**How are the wines chosen?** We work within the wine themes and the tier. If you want specifics or have a favorite, we'll gladly work with you.

### JavaVino Wines

#### Tier One Wines

The best in party wines, great to drink and little less expensive. These wines give you some good depth and structure and plenty of entertainment.

**Price: \$22.00 per bottle**  
**Serves: each bottle serves 5-6 people**

#### Tier Two Wines

For the wine enthusiasts, we have a great selection of some of the most seductive wines in Atlanta. These wines will impress all your wine drinking friends.

**Price: \$30.00 per bottle**  
**Serves: each bottle serves 5-6 people**

#### Reserve Wines

There are always reserve bottles and these run from \$40 - \$90 per bottle. Certainly a great choice for that special occasion. We can have a lot of fun and have a lot of room to work with here. Ask for your high end favorites and we'll find them!

**Price: \$40.00-\$90.00 per bottle**  
**Serves: each bottle serves 5-6 people**

In general we open bottles as you need them, and only charge you for any bottles opened. We usually select a combination of red and white wines. If there are particular wines you want from our menu let us know and we can make sure those are worked in. However, these group wine prices assume you will be purchasing at least 6 bottles (you can mix and match bottles from different tiers), otherwise the bottle cost will be the same as our menu price.

Please note there is a \$250 room use minimum, otherwise an hourly room charge applies.
